Attn: David Haney

PROJECT: Las Sendas Office Condominiums (Shell building)
7565 E. Eagle Crest Drive, Mesa, AZ

David,

Attached is our bid proposal for the project referenced above. We will perform all work to construct the Las Sendas Office Building according to the plans and specifications from Group Renaissance Architects dated 2/15/07 and Addendums 1, 2, and 3.

Cost of Proposed work is: **\$ 1,299,318.30**

We would like to make the following clarifications to our bid:

- We are figuring a 120 calendar day schedule.
- Owner to provide all plans, permits, City required bonds, and soils report.

The following items are **included** in the bid:

- Addendums 1- 4.
- Both "Screenwalls" (1 on Architecturals, 1 on Civils)
- The cost for Structural Steel is an "allowance" due to incomplete and confusing plan details and notes.

Value Engineering:

- Vertical concrete – Reengineered: possible savings = \$39,000. 
- Verticle concrete – Replaced w / masonry: possible savings = \$45,500. 
- Eliminate Carports: possible savings = \$32,000.
- Use ABS vs. cast iron sewer pipe: possible savings = \$3,200.

The following is **excluded** from the bid:

- Cost for anticipated, but unknown amount of, "Hard Dig" excavation.

Please call if you have any questions or would like to discuss this further. We appreciate the opportunity to bid this project.

Sincerely,

Howard Gangl
Monza Construction Company

Job: Las Sendas Office Condominiums (Shell)
 Location: 7565 E. Eagle Cread Dr., Mesa AZ 85207
 Contractor: **Monza Construction Company**
 Date: 04.16.2007
